# COVID-19 ACTIVITIES

A photograph showing a community health worker in a white uniform and mask, wearing gloves, distributing supplies to a group of people in a rural setting. The worker is leaning over a table, and several people, including children, are standing around. The background shows a dirt road and some buildings. The image has an orange tint.

## 1) Annamrita Karuna Project

Nearly about 33lac people were benefitted from this project where we distributed free hot & nutritious food like khichadi/pulav at 50 different locations everyday to 90,000 people from 23rd march onwards.

OUR UPCOMING PROJECTS ARE

# Annamrita Vanmaali Program

In this we shall promote organic farming & shall purchase only organic vegetables directly from small groups of farmers by promoting the producer to consumer chain

# ANNAMRITA GO GRASS PROGRAM

WE ARE DAILY FEEDING 600 COWS IN AND AROUND THE CITY.
